

REMARKS

Claims 1-14 are in this application and are presented for consideration. By this Amendment, Applicant has amended Claims 1-7. Applicant has added new independent Claim 8. Applicant has also added new dependent Claims 9-14 which are based on new independent Claim 8.

Claims 1-7 have been rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention.

Applicant has revised Claims 1-7 paying close attention to the Examiner's comments. Specifically, the term "characterized in that" has been deleted from the claims. Applicant wishes to thank the Examiner for the careful reading of the claims and for the helpful comments. It is Applicant's position that the claims are clear, definite and fully conform with the requirements of the statute.

Applicant has added new independent Claim 8. Applicant has also added new dependent Claims 9-14 which are based on new independent Claim 8. New independent Claim 8 presents similar features as recited in Claim 1. Dependent Claims 9-14 are similar to dependent Claims 2-6. Applicant respectfully requests that the Examiner favorably consider new independent Claim 8 and new dependent Claims 9-14. It is believed that all claims are in condition for allowance.

Further and favorable action on the merits is requested.

Respectfully submitted  
for Applicant,
